

Marcone Sponsors Annual Kids and Clays Tournament for Ronald McDonald House Charities

Marcone Supply was the title sponsor for the 10th Annual Kids and Clays Tournament held on August 20th & 21st on behalf of the St. Louis branch of the Ronald McDonald House.

The event was held at the beautiful Nilo Farms in Alton IL, one of the nicest hunting and shooting facilities in the country with 650 acres of rolling hills. Hundreds of shooters were in attendance ranging from beginners to advanced hunters. Marcone invited customers as well as several employees to participate.

The tournament included 15 different shooting stations that allowed participants to shoot over water, in the woods and in an open field. Each shooter was allowed 100 targets.

There were 4 classes with prizes for the 1st, 2nd, and 3rd places in each class, as well as a sub-junior division (under age 14), junior division (ages 14-17), ladies division and corporate team challenge. Marcone's own, Ashley Blaske, took 1st place in the ladies division shooting 41 out of 100 targets. A few of our customers placed in the top 10 of the mens division shooting over 80% of their targets!

On Friday evening before the tournament, Marcone helped the Ronald McDonald house staff host a dinner auction at the Edwards Jones Atrium in St. Louis, with exciting live and silent auction items. This was Marcone's third year as the title sponsor for this event and we look forward to hosting it again in 2011!
