## PLUMBING

### DRINKING

**Equipment:** chillers, free-standing drinking fountains, water coolers

### FAUCETS

**Applications:** bathroom, kitchen, commercial

**Product type:** shower/drinking valves, tub/shower trim kits

### FITTINGS

**Applications:** gas, refrigeration, sewer, drain

**Material:** black iron, brass, brass compression, bronze, cast bronze, chrome, CPVC, galvanized, nylon, PVC

**Type:** ABS, flexible, hose, nipples, PEX, piping, tubing, press, push-fit, straps, fasteners, water hammer arresters

### SINKS/SUPPLIES

**Applications:** bathroom, kitchen, dishwasher, ice maker, washing machine

**Accessories:** Flexible supply lines, angle stops, tubes, water connectors

### BATHROOM

**Equipment:** seats, toilets, urinals

**Valves:** fill, flush

**Accessories:** brass ballcocks, close-coupled tank kits, closet bolts/nuts/flanges, flushometers, flappers/balls, lever arms, gaskets

### TOOLS

**Applications:** plumbing, drain cleaning, sump pumps

**Equipment:** blades, cables, cordless, cutters, crimping, expansion, hand, nutdrivers, press, saws, screwdrivers

### UNDER THE SINK

**Applications:** bath, shower, lavatory, sink

**Drains:** covers, floor, grates, grids/pop-ups, stoppers, strainers, tub drain boxes, tubular

**Pipes:** extension tubes, flexible fittings, pipe/tube covers, sink wastes/arms/tees

**Traps:** adaptors, connectors, repair parts, seals, test plugs/caps, traps/bends, vents

### Garbage Disposals:

equipment, accessories

**Repair Parts:** bath, shower, bath wastes

**Accessories:** air admittance valves, basket strainers/washers, cleanout plugs, flanges/escutcheons, roof flashings, rotary wastes/repair parts, wall plates

### HYDRONIC PARTS AND ACCESSORIES

**Parts:** air vents, ball valve repair, circular parts, dielectric nipples/unions, expansion tanks, float switches, gas supply connectors, hose bibs/racks/hydrants, hot water thermometers, lawn faucets, log lighters, pressure gauges, pumps, thermocouples, vacuum breakers

**Valves:** angle/control, angle stop adapter, backflow preventers, backwater, ball, check, float, gas, gate handles/parts, ice maker, mixing, needle, pressure-reducing, pressure-regulating, pressure relief, radiator, shut off, tempering/balancing, vacuum relief, washing machine, zone

**Boilers:** drains, trim kits

**Pumps:** circulator, flanges, repair, sewage, sump, transfer utility

**Water heaters:** elements, pans, stands, tankless
